**Terms and Conditions of Sale**

**WARRANTY** - Entegris warrants each new product against defects in materials and workmanship for the following periods of time from shipment: Microelectronic products, Custom products—90 days; Entegris® Cleaning Systems and AutoPod® Wafer Carriers—1 year; Fluid Handling products (except as separately identified below) including FluoroPure® Chemical Container products—1 year; Sheetlined Chemical Container products and FluoroPure®PFA Liners (blistering, cracking or leakage only)—36 months; FluoroPure®-type rings and gasket materials—90 days. Entegris makes no warranty, express or implied, with respect to any components, products or services provided by any third party. With respect to products specially manufactured to Buyer’s specifications, Entegris warrants only that such products have been manufactured, without testing, to Buyer’s specifications but makes no other warranty, express or implied. Upon Entegris’ confirmation of defects, Entegris agrees, as its exclusive remedy to repair or, in its discretion, replace defective product without charge. Entegris is not responsible for product damage resulting from accident, misuse, or lack of reasonable care.

**IMPORTANT**: No other warranty, written or verbal, is authorized by Entegris. Entegris is not liable for any special, incidental or consequential damages. Implied warranties of merchantability and fitness for a particular purpose are specifically disclaimed.

Clean and Secure Wafer Transport

• Individual horizontal cantilever springs limit wafer rotation to reduce particle contamination and also secure the wafers in the cassette to safeguard against breakage
• Ultrapure Wafershield™ polypropylene materials provide a clean shipping environment and assure low levels of condensable inorganics

Reliable Equipment Interface

• Horizontal and vertical robotic pickup flanges on the cassette allow convenient handling
• Center notch track alignment and “H” bar ensure accurate equipment interoperability both vertically and horizontally

Material Description

The Ultrapak® box and cassette are manufactured from Wafershield™, a high-purity polypropylene.
• Low inorganics
• Low particle generation
• Low outgassing
• Long shelf life compared to conventional polypropylene
• SPI recycle code – 5

Packaging Specifications

• Case quantity: 12 assemblies
• Case weight: 24 kg (52 lbs)
• Case size: 32” x 21” x 18” (81 cm x 53 cm x 48 cm)
• Pallet quantity: 6 cases (96 assemblies)
• Container quantity (20 ft.): 12 pallets (1,152 assemblies)
• Container quantity (40 ft.): 26 pallets (2,496 assemblies)

Product Specifications

Box
• Length: 10.3” (260 mm)
• Width: 10.5” (267 mm)
• Height: 9.3” (237 mm)

Cassette
• Length: 8.0” (203 mm)
• Width: 9.2” (233 mm)
• Height: 8.6” (218 mm)
• Inside track width: 4.5” (114 mm)
• D1: 1.0” (25 mm)
• Pitch: 6.0” (152 mm)

Silicon Delivery™ Systems and Services

To optimize wafer and device handling in your facilities, Entegris offers Silicon Delivery™ Systems and Services — our unique materials integrity management solution to cost-effectively manage silicon from production to consumption.

Wafer Handling Systems
• Raw wafer processing and shipping
• Wafer processing
• Finished wafer shipping and handling
• Related product handling
• Handling product cleaning systems

Device Handling Systems
• Finished wafer shipping and handling
• Bare die shipping and handling
• Packaged device shipping and handling
• Handling product cleaning systems

WaferCare™ and DeviceCare™ Services
• Certified reuse and recycle
• Product cleaning
• Logistics management
• On-site and off-site programs
• Cleaning systems

Terms and Conditions of Sale

WARRANTY - Entegris warrants each new product against defects in materials and workmanship for the following periods of time from shipment: Microminiature products, Custom products - 90 days; Entegris® Cleaning Systems and AutoPod® Wafer Carriers – 1 year; Fluid Handling products (except as separately identified below) including FluoroPure® Chemical Container products – 1 year; Sheetlined Chemical Container products and FluoroPure® PFA Liners (blistering, cracking or leakage only) - 18 months; FluoroPure® rings and gasket materials - 90 days. Entegris makes no warranty, express or implied, with respect to any components, products or services provided by any third party. With respect to products specially manufactured to Buyer's specifications, Entegris warrants only that such products have been manufactured, without testing, to Buyer's specifications but makes no other warranty, express or implied. Upon Entegris' confirmation of defects, Entegris agrees, as its exclusive remedy to repair or, in its discretion, replace defective product without charge. Entegris is not responsible for product damage resulting from accident, misuse, or lack of reasonable care. IMPORTANT: No other warranty, written or verbal, is authorized by Entegris. Entegris is not liable for any special, incidental or consequential damages. Implied warranties of merchantability and fitness for a particular purpose are specifically disclaimed.
