has implemented and maintains an
Occupational Health and Safety Management System.

Scope:

The occupational health and safety activities and supporting processes associated with the research, development and manufacture of materials, materials delivery systems and high purity materials packaging products used primarily in the manufacture of microelectronic devices. The primary product lines are gas delivery systems, liquid materials and delivery systems and advanced high purity packaging and delivery systems. Entegris also provides applications and analytical support services for their product line.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

BS OHSAS 18001 : 2007

Certificate registration no. 10000182 BSOH
Date of original certification 2007-12-07
Date of certification 2015-05-07
Valid until 2018-05-06
