

Entegris Global Environmental Health and Safety (EHS) Policy

Entegris is committed to conducting business in ways that protect the environment and provide a safe and healthy workplace for our employees, visitors, contractors, communities and stakeholders.

HEALTH AND SAFETY

We strive to identify risk in the workplace and take a proactive approach toward health and safety to prevent injury and illness.

RISK AND POLLUTION PREVENTION

We maintain a cohesive and efficient system for managing risk and pollution prevention efforts across the entire company. We strive to be a responsible member of the global community and support a sustainable future.

CONTINUOUS IMPROVEMENT

We are carefully monitoring and analyzing the impact of our operations and continuously driving improvements. We have a strong value driven culture resting on our PACE Values: People and Teamwork, Accountability, Creativity and Dedication to Excellence.

COMPLIANCE

We meet all applicable regulatory requirements and make every effort to implement programs that go beyond compliance, have measurable objectives and are aligned with industry best practices.

PRODUCT STEWARDSHIP

We continuously evaluate our products and services to ensure they meet or exceed environmental, health and safety expectations.
