ENTEGRIS APPOINTS DR. ALAN CHANG AS VICE PRESIDENT, CHINA SALES

Shanghai, CHINA – January 15, 2018 – [Entegris Inc. \(Nasdaq: ENTG\)](#), a leader in specialty chemicals and advanced materials solutions, announced today that Alan Chang has been appointed Vice President, China Sales, effective Jan 1, 2019. In this role, Dr. Chang will be responsible for leading all commercial engagements with China customers, global customers who have a presence in China, and overseeing operational and functional activities in this market. He reports to Michael Besnard, Senior Vice President of Global Sales. Ben Lee will retire after 28 years with Entegris.

“As our Chinese semiconductors customers move toward high volume manufacturing, Alan’s extensive experience and expertise in the global markets will be of great benefit in bringing Entegris solutions to help them achieve success in production yield, device reliability and performance,” said Mr. Besnard. “Alan is also well positioned to expand our presence in China for our semiconductors customers, expand into diversified markets including bulk chemical suppliers, flat panel display, consumer electronics, and many others, as well as grow our local talent.”

Dr. Chang has been with Entegris beginning in 2014 where he has held leadership roles in sales and the business unit level. His latest roles at Entegris include General Manager for the Airborne Molecular Contamination (AMC) Business Unit, and Senior Sales Director for the TSMC account based in Taiwan. Prior to joining Entegris, Dr. Chang worked for many well-known high-tech companies such as Honeywell Electronic Materials, Cabot Microelectronics, and Ashland Chemical.

Mr. Chang holds a Ph.D. in Chemistry from The University of Rhode island.
