

### Regulatory Compliance Overview

February 11, 2019

A majority of Entegris products are non-electrical articles which are currently outside of the scope of specific waste electronic initiatives and restrictions on the use of hazardous substances in electronic equipment i.e. EU ROHS/WEEE. However we understand that customers may choose to implement tighter restrictions than required. Entegris works to provide products that conform to the requirements of these initiatives.

Entegris products listed below conform to the requirements listed to the best of our knowledge. The status of conformance is based on internal laboratory analysis and/or supplier certification of the homogeneous materials.

Product Description: **H20 / H44 series Bare Die / Chip Tray and Accessories**

Raw Material Type:

Code	Description	Color
-66C02	PC + carbon powder	Black
-74DXX	ABS + intrinsically dissipative polymer	Various
-14XX	ABS + color additive	Various
-62C02	PP + carbon powder and glass bead	Black
-61C02	PP + carbon powder	Black
-67C02	PP + carbon fiber	Black
-5413	Antistatic PMMA	Transparent
-0615	PP	Transparent
-1216	PS	Clear
-0315	ETFE	Natural

Compliance Requirement	Standard	Statement
RoHS – Restriction of Hazardous Substances	European Directive 2011/65/EU	Pb, Hg, Cr6+, PBB, PBDE < 1000 ppm; Cd < 100 ppm
RoHS 3 – Phthalate Directive	European Directive 2015/863	DEHP, BBP, DBP, DiBP < 1000 ppm / 0.1% by weight
